AUSTRALIAN
STUDENT
GUIDE

We are dedicated to bridging the gap between school and university, and opening access to study options for all students. The South Australian Institute of Business and Technology (SAIBT), is an on-campus pathway provider to the University of South Australia (UniSA). For over twenty years we have been providing students with the opportunity to pursue their degree. We specialise in the foundation of degree studies, equipping students with a solid framework the rest of their degree will be built on. Through small-class sizes, personalised teaching methods and extensive student support, you will have the opportunity to excel. We have the privilege to help students study further, the fastest way possible.

IT'S
YOUR
TIME

WHY STUDY AT SAIBT?

Flexible entry requirements

SAIBT offers flexible entry regardless of your previous grades. All study undertaken is considered including any previous work history. We also consider credit towards your diploma for relevant previous study.

Double your qualifications

Enhance your career further and enter directly into second year of your chosen degree at UniSA[†]. This means in just three years, you can graduate with both a diploma and a degree.

Supported study, designed for success

Our diplomas are taught in a supportive environment, where small class sizes and nurtured learning are designed to set you up to succeed.

Nationally accredited qualifications

All SAIBT diplomas a nationally accredited, providing you the choice to continue your studies further or enter the workforce directly.

Flexible study options - in class, online and hybrid options

It's your choice! Study on campus, participate online through self-guided study, or choose a combination of the both.

Study on a UniSA campus

Transition to university life is made easy, with SAIBT being located on UniSA's City East campus. You will have access to all UniSA's facilities, services and clubs, but with the added benefit of SAIBT specific support desks, one on one help and leadership opportunities.

Supporting a balanced lifestyle

Offering trimesters instead of semesters allows you to space your studies or speed them up, depending on what works for you. Choose between full-time or part-time studies to suit your life and what you want in it whether it be work, travel, family, or study.

Fee-Help available

Australian citizens can access Fee-Help, meaning there are no up front fees, and fees are paid back through the tax system.

Career advantage

Give yourself the choice to enter the workforce faster using your nationally accredited higher education diploma.

Become unstoppable

UniSA is a place for unstoppable people, offering more than 200 world-class degrees across a wide range of study and career areas. UniSA is a globally connected and engaged university, preparing tomorrow's professionals through practical and innovative teaching and learning. The University also has more than 2,500 company connections worldwide to bring students placement, project, research and work opportunities so that they graduate with the ultimate competitive edge.

Secure your SATAC offer

By including SAIBT in your SATAC preferences you are securing a pathway to your preferred degree and career preferences.

Packaged options available

It is possible to have your SAIBT and UniSA offers packaged in one offer, simplifying your study progression.
