

University of
South Australia

2024 INTERNATIONAL STUDENT GUIDE

**IT'S
YOUR
TIME**

IT'S YOUR TIME!

We are dedicated to bridging the gap between school and university, and opening access to study options for all students. The South Australian Institute of Business and Technology (SAIBT), is an on-campus pathway provider to the University of South Australia (UniSA). For over twenty years we have been providing students with the opportunity to pursue their degree and post-graduate preferences. We specialise in the foundation of degree studies, equipping students with a solid framework the rest of their degree will be built on. Through small-class sizes, personalised teaching methods and extensive student support, you will have the opportunity to excel. We have the privilege to help students study further, the fastest way possible.

SAIBT is also part of and support by the Navitas Group. Navitas is a leading global education provider that has helped generations of learners transform their lives through education. Navitas create life-changing opportunities to learn by delivering an extensive range of educational services to over 60,000 aspirational students across our global network each year.

STUDENT LIFE

We are passionate about providing you the best start to your study journey, focusing on supportive initiatives to help you settle and establish yourself here in Adelaide and as a student within SAIBT and UniSA.

Dedicated academic support

Receive personalised support from our Learning Advisor to set you up for academic success. Assistance is available for understanding assignment requirements, managing study loads, adapting to university study and Australian teaching practices.

English language improvement options

You are able to access English classes through CELUSA prior to beginning your tertiary studies. Courses range from elementary to advanced and are designed specifically for English in academic study.

Experience true cultural diversity

Study alongside students from all over the world, including students who are local to Adelaide. You will have extensive opportunities to work within team projects and attend student events to get to know your peers more.

Enhance your experience by getting involved

Jump into student life through attending specific events designed to bring students together and introduce you to Adelaide. You have access to join all UniSA clubs and sporting initiatives, gyms, libraries and on-campus celebrations.

Become a student leader

Each trimester there will be opportunities to work with our Student Experience Coordinator and become a student leader. You will be able to help plan and assist in student led programs and actively participate in student initiatives and events.

Extra personal support

We recognise that you may feel overwhelmed, worried, confused or sometimes homesick and lonely. We have a qualified SAIBT counsellor available to meet with you if required. Counselling is completely confidential, no matter how sensitive.

Settling into Adelaide

There is a range of accommodation options available, from purpose-built student accommodation to residential colleges and homestays. Our accommodation team will help you find the right living arrangements for you. Airport pickup is also available to make sure you feel safe and secure even before you arrive.

Safety and security

Campus security is accessible on campus 24 hours a day, seven days a week. There is also a dedicated UniSA Safe Zone app to ensure your safety and wellbeing.

THE UNIVERSITY OF SOUTH AUSTRALIA

The University of South Australia is a globally connected and engaged university with industry-informed teaching and research that is inventive and adventurous.

Ranked number one in Australia for graduate employability*, the University offers students the chance to gain real-world experience.

With a focus on life beyond the classroom, the University delivers a practical approach to teaching and learning. Degrees are designed in partnership with industry, giving you opportunities to gain the latest insights and trends and ensuring you graduate career ready.

Industry Connected

The University collaborates with more than 2,500 companies worldwide to bring you valuable networking and work opportunities including placements, internships and real-world projects. Its graduates are the new professionals, global citizens at ease with the world and ready to create and respond to change.

Career Services

The University's Career Services team will help you prepare for your future career. You can connect with a career adviser for expert advice and be part of a comprehensive career development program, including networking opportunities, industry events and an Online Career Hub with the latest resources and job listings.

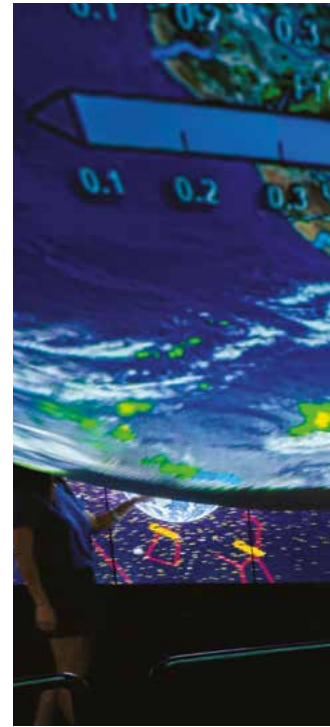

World-class facilities

With new buildings, modern facilities and vibrant social spaces on campus, it's never been a better time to be a student at the University of South Australia. The University has invested more than AUD \$400 million in new campus infrastructure, giving you access to state-of-the-art learning spaces and the latest technologies, along with enhanced facilities that connect with researchers, industry and the community.

4 METROPOLITAN CAMPUSES

Study in modern, purpose-built facilities across all campuses.
Take a virtual campus tour to learn more: unisa.edu.au/virtualcampustours

1 City East Campus

Located within the eastern end of Adelaide's cultural boulevard, the City East Campus is home to SAIBT and students studying UniSA's health and medical sciences degrees.

Distance from station
TRAM: 2 minute walk
TRAIN: 8 minute walk

3 Magill Campus

This campus features large, open spaces and nature at its best, including a creek, native gum trees and the occasional koala spotting. It has industry standard learning facilities for studies in the creative industries, education, psychology and social sciences.

8.2km to Adelaide City
CAR: 15 minutes
BICYCLE: 25 minutes
PUBLIC BUS: 25 minutes

2 City West Campus

City West Campus is located on the western edge of the CBD and is part of Adelaide's arts, food and cultural hub. It's home to studies in business, law, art, architecture and design, along with the Centre for English Language (CELUSA).

Distance from station
TRAM: 2 minute walk
TRAIN: 8 minute walk

4 Mawson Lakes Campus

Located close to over 100 high-technology companies that make up Technology Park, this campus is an innovation hub in Adelaide's growing northern suburbs. It's home to students studying STEM degrees.

16.7km to Adelaide City
CAR: 25 minutes
TRAIN: 17 minutes (express)
BICYCLE: 54 minutes
PUBLIC BUS: 52 minutes

YOUR STUDY JOURNEY

Our programs are designed to prepare you for entry into UniSA with up to a full year of credit. With three intakes offered per year, you can start the program when it suits you.

ETP Arts

ETP Engineering

ETP Health Science

Diploma of Arts

Diploma of Business

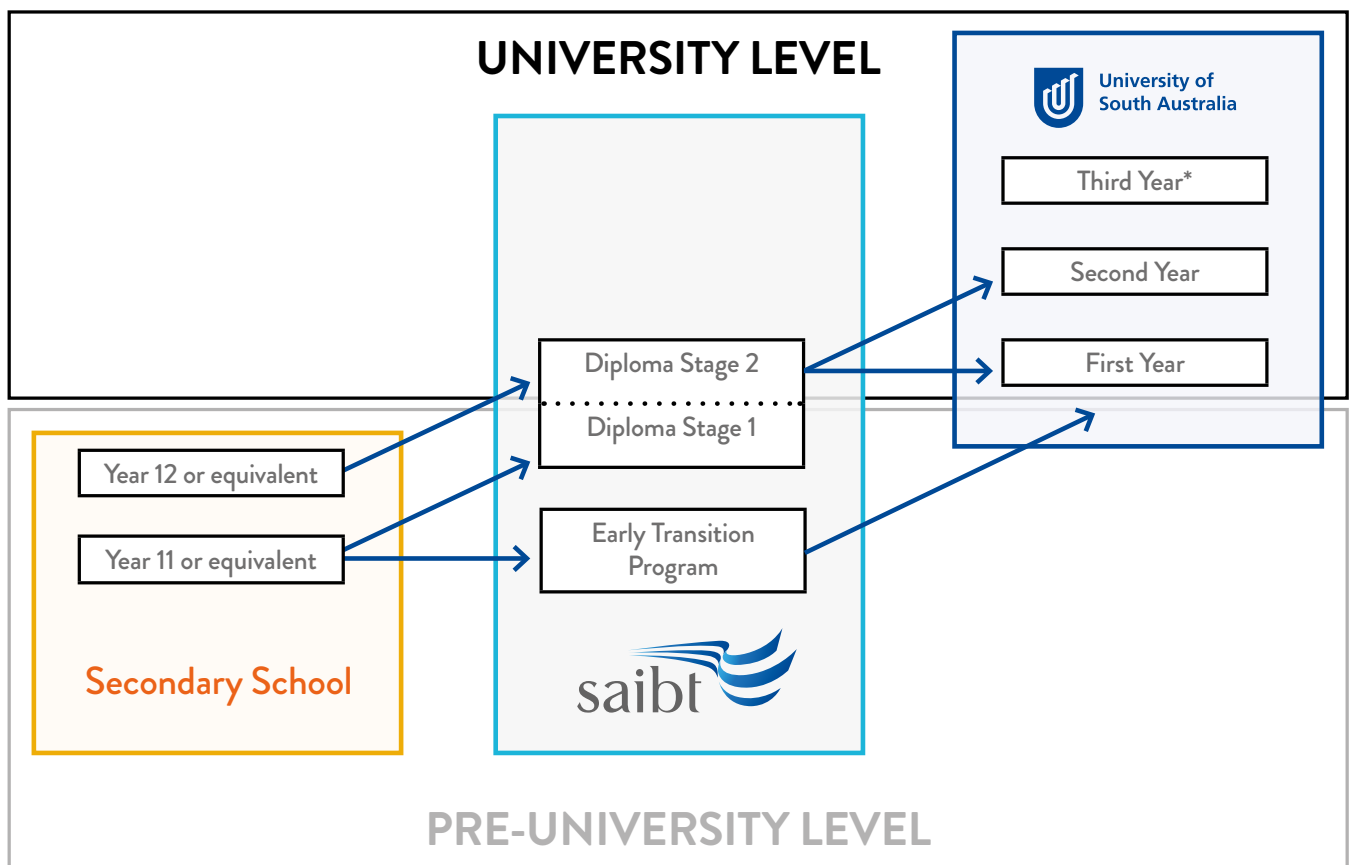

Diploma of Engineering

Diploma of Health Science

Diploma of Information Technology

*Some bachelor degrees are four years in length.

Entry into the University of South Australia is dependent upon successful completion of a ETP, Diploma or Graduate Certificate program, and in some cases, may require a specified Grade Point Average (GPA).

EARLY TRANSITION PROGRAM

Early Transition Programs (ETP) prepare and support you for success in your chosen pathway. ETP is offered to selected degrees including Engineering, Education, Arts, Health Sciences and Social Sciences at UniSA.

ETP Arts

Providing you with foundational knowledge in communication, media, design, social services and education. There are many rewarding career options through ETP Arts including Social Work, Architectural Studies, Design and Education.

ETP Engineering

Introduces the comprehensive theory and practical skills needed to apply knowledge to your UniSA Engineering Degree. Career options include Aviation, Construction Management and the Built Environment.

ETP Health Science

Providing foundation knowledge in all the areas of health care including the psychological, physiological, social and cultural elements. The ETP (Health Science) prepares you for entry into a range of careers including Pharmacy, Nutrition and Food Sciences, Laboratory Medicine and Biomedical Science.

Progression on to UniSA

Diploma of Arts

An introduction to contemporary issues in society, culture and communication that impact areas such as Human Services, the Creative Industries and Art and Design. These courses provide the foundation concepts to accelerate your progress in your proposed area of degree studies and entry into the career of your choice.

Stage 1 (2 or 3 trimesters)

Core modules

- Academic Research and Critical Enquiry
- Communication, People, Place and Culture
- Design
- Essential Study Skills
- Information and New Media Technologies
- Media and Society

Elective modules (choose 2)

- Early Career Development
- Business Fundamentals
- Human Biology
- Maths and Statistics
- Programming
- Physics 1

Stage 2 (2 or 3 trimesters)

Core modules

- English for Academic use in Australia
- Professional and Technical Communication
- Computer Graphics and Imaging for Design
- Introduction to Digital Media
- Communication and Media
- Intercultural Communication

Streamed modules

Communication stream (C)

- Public Relations Theory and Practice
- Psychology 1B

Media Arts stream (MA)

- Cinematic Design
- Hollywood Film and Television

Diploma of Business

Offers a common first year to a Business Bachelor Degree at UniSA and will introduce you to important disciplines which are required to operate business, administration and management activities. The Diploma will offer you the opportunity to sample a vast range of courses to provide you a basis when selecting your degree program at UniSA.

Stage 1 (2 or 3 trimesters)

Core modules

- Essential Study Skills
- Information and New Media Technologies
- Business Fundamentals
- Communication, People, Place and Culture
- Academic Research and Critical Enquiry
- Early Career Development
- Maths and Statistics

Elective Modules (choose one)

- Human Biology
- Programming
- Design
- Media and Society
- Physics 1

Stage 2 (2 or 3 trimesters)

Core Modules

- Business and Society
- Marketing Principles: Trading and Exchange
- Accounting for Business
- Quantitative Methods for Business
- Management and Organisation
- Business Law
- Principles of Economics

Streamed Modules

Business Stream

- Career Development in Business

Digital Business Stream

- Information Technology Fundamentals

Accounting Stream

- Financial Accounting 1

Q2 Quotas apply to these UniSA programs and applicants will be offered a Diploma of Health Sciences/ Bachelor of Human Movement package. Upon successful completion of the diploma with the required GPA, students will be able to apply to UniSA for entry to the relevant degree program. Admissions is competitive and based on academic performance in the diploma.

Q3 An entry quota applies to these programs. Admission is competitive and places are limited. Admission will only be possible if places are available, and is based on Academic Performance in the Diploma. Students must successfully complete the Diploma with the required GPA or above to be considered. Should students not meet this requirement and/or a place is not available, they may apply for another Health Science program that they meet entry for.

Diploma of Information Technology

Introduces you to a range of knowledge and skills required by IT professionals. This helps you get a sense of the different areas of Information Technology, and helps you to learn about your individual interests for future studies and your career. It leads to a variety of specialist and general IT degrees at UniSA which will prepare you for a diverse set of occupations in industries such as Mobile Application Development, Software Engineering, and Games and Entertainment Design.

Stage 1 (2 or 3 trimesters)

Core Modules

- Essential Study Skills
- Information and New Media Technologies
- Programming
- Communication, People, Place and Culture
- Academic Research and Critical Enquiry
- Maths and Statistics
- Design

Elective Modules (choose 1)

- Media and Society
- Early Career Development
- Business Fundamentals
- Human Biology
- Physics 1

Stage 2 (2 or 3 trimesters)

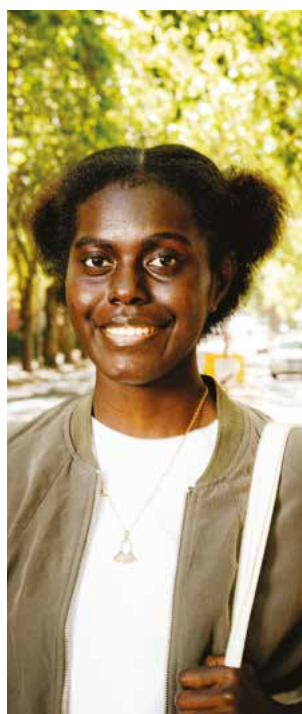

Modules

- Problem Solving and Programming
- Design Thinking Studio
- Information Technology Fundamentals
- Network Fundamentals
- Object Orientated Programming
- Data Driven Web Technologies
- System Requirements and User Experience
- System Requirements Studio

“Ever since I've been in Adelaide my life has been so exciting. I love the people, restaurants, icy cold beaches, Rundle Mall, and experiencing nature in Adelaide. Adelaide is the best place for so many fun adventures in and out of the city. Studying at SAIBT has been fun! The teaching staff are interactive and engage with us in class, I have a lot of confidence studying with SAIBT through their assistance. I have made new friends who share the same interests as me, and it's lovely to meet new people every day.”

Beth

Papua New Guinea

Graduate Certificate in Business and Management

Aims to provide a broad and fundamental understanding of the theory and practice of management and prepares graduate skills that are easily transferable to the highly-skilled workforce or for entry into a range of master degrees at UniSA. By completing the master degree you could expect to find employment in management or project management positions in the respective field (Engineering, Business, Commerce, Project Management).

Bachelor Degree

Graduate Certificate in Business and Management at SAIBT

2nd semester entry into your chosen UniSA Master's Degree

Graduate Certificate in Business and Management modules

Core Modules

- Principles of Project Management
- Project Leadership and Teams

Streamed Modules

Business and Management

- Global Business Environment

Elective Modules (choose 1)

- Economic Principles for Business
- Accounting for Management

Commerce

- Economic Principles for Business
- Accounting for Management M

Engineering

- Design Management for Engineers
- Sustainable Development and Design Practice

Project Management

- Project Control Methods
- Design Management for Engineers

ADELAIDE - DESIGNED FOR LIFE

You are about to embark on a brave and exciting new life. Adelaide is the perfect hidden gem that has all the elements to make you feel safe and included.

Adelaide is the capital city of South Australia, and offers so much to experience beyond the classroom, from local food markets, international sporting events and world-renowned music and arts festivals.

It's a vibrant cosmopolitan city, balanced with easily accessible natural beauty waiting to be explored. The city location means you spend less time commuting and more time enjoying life. And with a lower cost of living than most other Australian cities, you will have more money to enjoy it too.

Adelaide is home to people from all over the world. Its caring community is what truly makes it a great place to live.

Accommodation

We have dedicated staff who will assist in finding you accommodation throughout your studies. There are a variety of accommodation options to suit your budget and lifestyle.

- Student Hostels
- Homestay
- Student Apartments
- Private Rental
- Residential Colleges

Our Accommodation team can also assist with:

- Mediation and advice for homestay or student residence problems
- Advice and assistance with finding independent rental properties
- Change of address forms for Department of Home Affairs
- Help with making doctors' appointments

ACADEMIC ENGLISH AT CELUSA

The Centre for English Language in the University of South Australia (CELUSA) offers quality Academic English programs designed to prepare you for your tertiary studies.

You will find yourself immersed in a supportive and friendly studying environment and you will be taught by highly qualified and experienced teachers. Courses range from elementary to advanced and can be packaged with your studies at SAIBT and UniSA to help you seamlessly transition between your programs. CELUSA is located on UniSA's City West campus, easily accessible to all the inner city offerings, SAIBT and UniSA's City East Campus.

saibt.sa.edu.au/student-life/essential-information/scholarships-bursaries

“I am grateful to get excellent education at SAIBT and highly recommend it to those seeking opportunities to improve themselves and wanting to master valuable skills. The teachers at SAIBT are knowledgeable and supportive, providing personalised attention to students. The program helps me with my academic pursuits and builds confidence in my abilities.”

Nan Su
China

START YOUR SAIBT JOURNEY

Applying to study at SAIBT is easy. With applications open all year round, you can complete your applications in 5 simple steps.

1 Apply

Apply easily online or seek assistance through an Education Agent.
saibt.sa.edu.au/apply

To find a SAIBT representative:
saibt.sa.edu.au/representatives

TIP

To avoid delays with your application, be sure you collate and submit all the required documents:

- Certified* copies of academic transcripts and graduation certificates
- English language test results (e.g. IELTS or TOEFL)
- A certified* copy of the personal details page and signature page of your passport.

*A certified copy is a copy of the original document that has been certified by an official such as a SAIBT Education Agent or staff member, justice of the peace, notary public, police officer or examining authority.

2 Receive Letter of Offer

You will receive your Letter of Offer within a few days of applying. If your offer is 'conditional' it means that you or your agent representative need to submit further documents. Conditions and details of what you need to provide will be articulated on your Letter of Offer.

TIP

Ensure the offer details are correct, including your personal details
Include proof of payment with your acceptance forms
saibt.sa.edu.au/offer

3 Accept

If your offer is 'unconditional' this means that you have provided all the information required to meet each of your conditions of enrolment.

Complete and submit Section 2 and Section 4 of your Letter of Offer and include proof of payment via email to SAIBT.Admissions@navitas.com, or upload via StudyLink.

4 Apply for your visa

When you receive your CoE (Confirmation of Enrolment), the next step is to apply for your student visa. Your agent will submit your visa application on your behalf. For more information visit the Department of Home Affairs website homeaffairs.gov.au

5 Prepare

Your future awaits! Finding the right fit for your homelife is important, we can help you organise accommodation arrangements:
saibt.sa.edu.au/accommodation

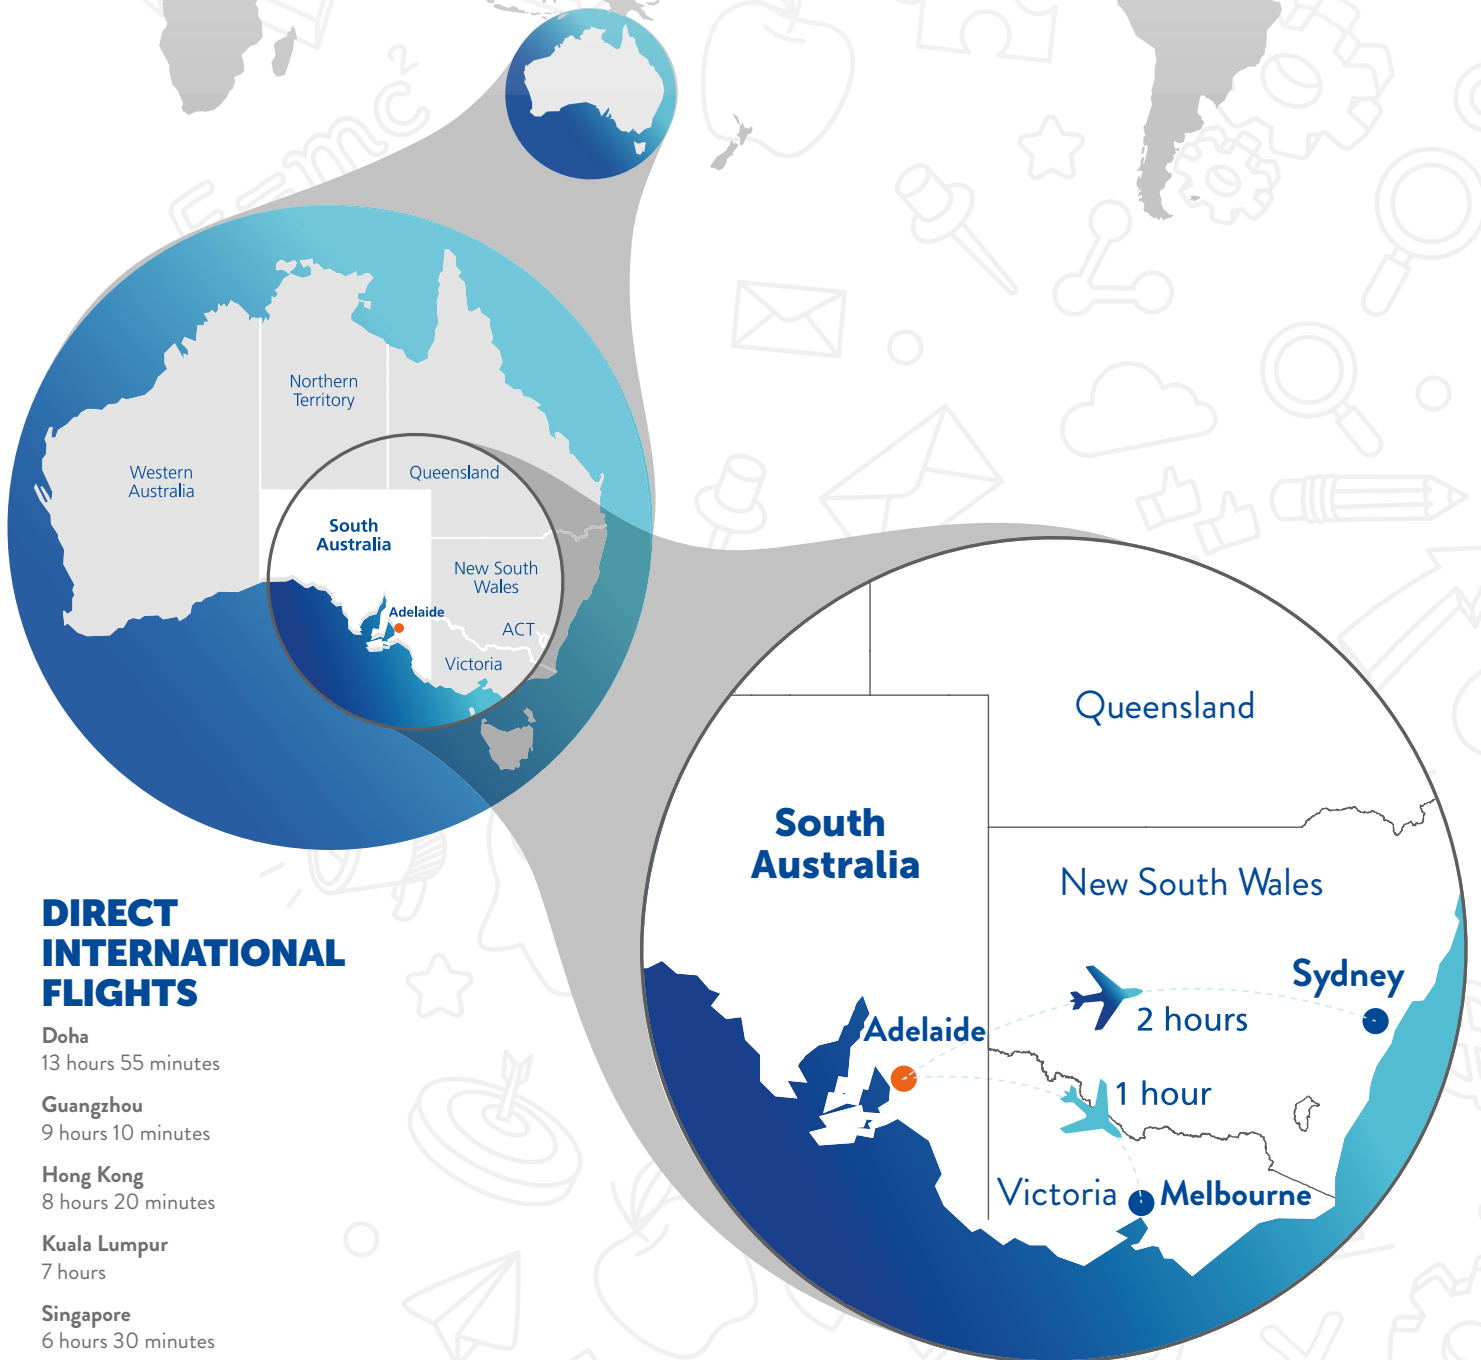

If you are under 18 years of age, you must also complete and return the Living Arrangements form.

Attending Orientation provides you with vital information about your studies and helps you enrol in all of your modules.

TIP

Book your flights to arrive a few days before Orientation, this gives you time to settle and explore Adelaide.
